An Executive and Leadership Coach, with a passion to help people move forward in their career. Christine works with executives and mid-level professionals to navigate career choices and challenges. She coaches women executives at Chief, and private clients in the media and tech industries. She is also a BetterUp Fellow Coach, Coach and Facilitator for Honehq and is a preferred coach for Columbia's Teachers College assisting alumni in developing their Careers.

Co-founder of Your Next Next™, a team of executive coaches working with companies and professionals who are navigating the new world of work. Their work includes insights into current trends in talent management, leadership development and preparing for a future of work that is mutually beneficial to both employers and employees.

She brings over 25+ years of Corporate Marketing experience from a variety of industries including Publishing, Major Entertainment Companies and Advertising.

Her commitment is to help professionals to build, grow or change careers: Navigating with them through an ever-changing business environment where new competencies and vision may be necessary to succeed. Skilled in Team building, workshop facilitation and developing teams for top performance.
